## COMMUNITY RESOURCES

---

Once again, Fulcrum Community Resources is excited to partner with Tillamook County Pioneer to produce the second edition of the Tillamook County Giving Guide. It is our hope that this effort helps our community residents support our community organizations.

Those of us who live here have much to be thankful for, not the least of which is the breadth of our nonprofits. They are one of the many wonders and beauty that is Tillamook County. Their missions and services add a deep and rich vitality to all of our lives, weaving strands of health, wellness, sustainability, environment, conservation, food security, women, children, animals, arts and culture, to create a strong and vibrant tapestry of community. Not only do they give us opportunities to heal and play, they provide jobs, a trained and inclusive workforce, volunteer opportunities, internships and training and help create a culture of collaboration, partnerships and communication.

This year we have expanded the guide to 40 pages, with 29 organizations, 10 of them new to the guide. The feedback from some of last year's participants indicated that they did receive donations from the Giving Guide, and more importantly they experienced an uptick in volunteers and overall awareness about their organization. We also nearly doubled the number of organizations on the list of County Nonprofits. Thank you to all those who donated, discovered and volunteered last year!

And another year is here; another opportunity to give back. Inside you will find information about the nonprofits who have been able to participate in this guide. We hope you will peruse these pages and give generously. Not every nonprofit had the budget or sponsor to pay for a page, (which paid for the printing and mailing) so we have also included a list of most of the nonprofits in the county. If you don't see your favorite nonprofit on a page, check the list.

We thank you in advance for your support!

The CHILD Program (Christ's Hands In Loving Devotion) was founded in the Fall of 2017 to help children of families living in Tillamook County at Back to School and Christmas time. CHILD makes every attempt to provide a new outfit, shoes, jacket and needed school supplies for students who might otherwise do without at the beginning of each school year. CHILD also provides gifts for these children from their wish list at Christmas time. This program is to assist families who are having difficulty providing necessities, let alone the extras that come with back to school and the holidays.

Parents register with CHILD and keep the information up to date to participate in the program; applications returned by July 10<sup>th</sup> for Back to School and Nov. 1<sup>st</sup> for participation in the Christmas portion of the program.

**LOOK FOR CHRISTMAS TREES AT LOCAL BUSINESSES for tags with the children's wishes: Big Wave Cafe and Columbia Bank in Manzanita, Bunkhouse and Bay Way in Nehalem, Grumpy's and Crafters Mall in Rockaway Beach and Parkside in Garibaldi.**

Everything the children registered with CHILD receive is donated by individuals and organizations from our local community. Donations are tax deductible.

### ***Faith in Action***

#### **Mission Statement:**

Faith in Action provides hearts and hands that assist people of all ages to enrich lives with hope and joy.

#### **Program Overview:**

Faith in Action volunteers serve the chronically ill, disabled, frail, elderly, and mentally ill with in-home respite care, friendly visiting, local transportation, and more. In addition to in-home volunteers, Wellspring Respite Day Center offers an affordable “day away” for family caregivers for their loved ones who have cognitive or physical limitations. Wellspring now offers 4 respite days per month for a nominal fee, with financial assistance available. There is no charge for in-home services.

#### **To Donate:**

Financial donations are accepted through cash, check or credit card. Online donations may be made at [www.AdventistHealth.org/TRMC/giving](http://www.AdventistHealth.org/TRMC/giving). Donations of all sizes are deeply appreciated.

**Event Sponsorships:** Sponsorships are welcomed. For more about the best sponsorship match for your business or group, please visit our website, email [AH\\_TillamookGiving@ah.org](mailto:AH_TillamookGiving@ah.org) or call us at 503-815-2302.

#### **Volunteer Opportunities:**

Faith in Action volunteers serve the chronically ill, disabled, frail, and elderly. In-home volunteers provide in-home respite care, friendly visiting, local transportation, and more. Wellspring Respite Day Center volunteers work as a team with a licensed nurse to provide interesting activities, gentle exercise, and tender loving care for adults. This gives their family caregiver 6 hours away from the 24/7 duties of caregiving. Volunteers receive training and support to help ensure a good experience for both the volunteer and the care receiver. Faith in Action measures success in lives touched with hope and joy: a neighbor living in his or her own home because a volunteer helps with house work or grocery shopping or bringing in 40-lb bags of pellets for the stove; a care giver refreshed by a respite care “day away”; an elderly person who can live alone because a volunteer stops by regularly; a volunteer who finds renewed joy in serving others.

## Graceful Waves Wellness Center

# Help Fund Needed Care Create a more vibrant Community!

## Spinal Health & Wellness Care Scholarships for those experiencing Financial Hardship

We believe that all people deserve to have access to quality healthcare, and to live vibrant, whole, energized lives! Our care & programs help meet those objectives. However, often our most vulnerable community members struggle financially to access wellness-building care designed to help them flourish. We offer a scholarship program which offsets the cost of care at a time when it's most needed. Sometimes, a helping-hand – and a more coherent spine and nervous system – can make ALL the difference!

### Why Donate THIS YEAR in particular?

We are in the last stages of constructing a NEW community wellness center, which will house Chiropractic care, Yoga, Massage, Dance, Counseling, Retreats, free community programs & film nights, and more! In the coming year, we also intend to formalize our center as a non-profit. All this takes capital... Your support at this time helps create greater ease during our transition, as we are now relying on credit cards and donations to complete the building. We are on-target for moving in to the new center by January 2019. **Our pledge** to our founding donors is that **100% of donations** will be re-GIFTED to the community by providing **subsidized care** to community members who need it.

## Mission:

The Salmon SuperHwy is an unprecedented effort to restore access for fish to almost 180 miles of blocked habitat throughout six major salmon and steelhead rivers in the Tillamook and Nestucca watersheds. Completion of these projects will reconnect historic habitat, reduce chronic flooding, improve recreation opportunities, and stimulate the local economy both now and for the future.

## Program Overview:

The Salmon SuperHwy Partnership is a group of local, state, and federal partners working together reconnect 180 miles of blocked stream habitat by addressing a strategically prioritized list of fish passage barriers. Mostly undersized and failing culverts, these barriers block access for fish to spawning and rearing habitat, and inhibit natural stream processes. They also cause flooding, and are at risk for catastrophic failure, causing road washouts, closures, and public safety issues. By working together, we are building more resilient habitat and infrastructure for Tillamook County's future.

## North Fork Nehalem River- Coho Salmon Harvest

**Mission Statement:** The purpose of the Smiley Brothers Salmon project is to fulfill the ancient promise of the salmon – to feed the people. Excess salmon are taken from the North Fork Nehalem Fish Hatchery to be canned in Garibaldi, then donated to the local food bank. This is a collaboration with the Oregon Department of Fish and Wildlife, 20+ volunteers, Garibaldi Landing, the North County Food Bank and Tillamook regional Food Banks.

**Program Overview:** This is a truly community-based project – our fish, feeding our people, supporting jobs at the cannery, community service for the High School, and high-quality Omega-3 proteins with a long, stable shelf life available to our most vulnerable populations. In addition to the 2,000 cans of salmon on average to the Food Bank for the past 8 years, fresh salmon fillets are taken to Nehalem Bay House and Kilchis House assisted living communities, so our treasured senior citizens receive fresh salmon dinners.

Since 2009, over 3,500 food-grade quality salmon have been canned, and over 10,000 cans of salmon have been distributed through our local food banks.

This year, Smiley Brothers (and Sisters) took over 500 salmon to Garibaldi Landing that's ready for canning, and we need your help. The cannery provides the processing at cost which also keeps several workers employed during the "off" season.

See the Smiley Brothers website for videos, photos and more about how this project utilizes local resources to provide protein-rich meals for many in our community  
[www.smileybrothers.org](http://www.smileybrothers.org).

**To Donate:** Smiley Brothers is proud to be a Fulcrum Community Resources project, therefore, donations are tax-deductible. It simply cannot be done without your donations to offset costs and put these nutritious meals on the table for the hungry in our community.

Please send your donations, payable to **FULCRUM RESOURCES/Smiley Bros. Salmon Harvest 2017**

# VOLUNTEER POWER

By Dan Haag

Think about what you love most about Tillamook County ... Is it beautiful green spaces? Year-round events? History? Musical performances? Arts & culture?

With dozens of non-profits in and around the area, chances are good that the things you enjoy most about visiting or living here run on volunteer power.

Volunteering is a big part of what makes the wheels turn in our little coastal communities. Many of our favorite organizations and events run on volunteer power. From Hoffman Center For The Arts, to North County Recreation District, to Nehalem Valley Historical Society, volunteers are the blood that pumps through communities' veins and makes their hearts beat.

Tillamook County is facing a volunteer shortage. This is in large part to folks simply not having the time to spread themselves around to all the places they want to volunteer.

In an effort to encourage more volunteerism, the Manzanita Visitors Center applied for and was awarded a grant through Visit Tillamook Coast. Volunteering isn't just for folks who live here full-time. It can be the family who comes once a year or the semi-retired couple who comes to their beach house on weekends. The goal is to show these folks why volunteering locally is so important.

Our first step was to create a "Volunteer Locally" video series. Recently completed by Deer Island Studio in Nehalem, the shorts feature testimony from some of North County's non-profit volunteer organizations. Posted on social media and the Manzanita Visitors website, it's meant to get visitors and residents – longtime or new – invested in the care of the community.

Next, the visitors center revived our Welcome New Residents program. Started last year on a small

scale, it provides new residents with information and resources of the community, including where to volunteer.

Then, plans are being made to hold a Volunteer Fair in Manzanita during Martin Luther King, Jr. weekend. This event will have representatives on hand from local volunteer organizations that are looking for help. It will be an opportunity for folks to learn more about places that could use their time and talents.

Finally, we hope to provide grant writing training with help from Visit Tillamook Coast. This will help organizations polish their grant writing skills as a way to expand their volunteer base.

In the meantime, if you are looking to contribute to any of our wonderful local volunteer-run organizations, then you are in luck: they need you! No matter what your interests, there is a volunteer opportunity here just waiting for you. There's no better way to get to know this area where there are no strangers – only friends you haven't met yet!

So whether you're a full-time or part-time resident, or just visit a few times a year, our community is always looking for folks to lend a hand and help enrich this place we all love.

Not sure what would be a good fit? Call or email the Manzanita Visitors Center at (503).812.5510 or [info@exploremanzanita.com](mailto:info@exploremanzanita.com) to help you find the volunteer opportunity that's just right for you!

To learn more about local organizations that need your help, visit [www.exploremanzanita.com/volunteer](http://www.exploremanzanita.com/volunteer) to see a list.

In the meantime, visit the Explore Manzanita website and get a sneak preview of some of the volunteer organizations that make our community such a special place by clicking on the video links.
