## People Caring For Tillamook

Few things in life are as important as good health and life itself. Yet good health is often taken for granted until injury or illness strikes. Our healthcare team provides around-the-clock medical excellence on the Northern Oregon coast. We are committed to your health—for life!

### Caring Gifts

The generosity of many individuals and organizations makes it possible to fulfill our mission of inspiring health, wholeness and hope. Caring gifts may be made both during your lifetime or as a legacy gift through your will. We welcome gifts of cash, real estate, stocks, bonds, mutual funds, life insurance and retirement fund assets.

### Community Impact Highlights

Gifts and grants inspire health, wholeness and hope in the following ways around our community:

**Ambulance:** Keeping our emergency medical services at peak performance helps to save lives all around Tillamook County. The community paramedic outreach provides vital support for living with complex health challenges.

**Children's Health:** From the Multi-mod Early Childhood Screening Fair to car seat safety checks and "First Tooth" dental outreach, early intervention helps Tillamook County children thrive.

**Faith in Action:** Offering hope and support to people of all ages who have chronic illness and ability challenges through in-home volunteers and Wellspring Respite Day Center.

**Hospice:** Compassionate care through home-based services provides dignity and relieves suffering of individuals in the last months of their life.

## COMMUNITY RESOURCES

PO Box 136, Nehalem, OR 97131 • [fulcrumresources.org](http://fulcrumresources.org) • 503/440-1342

---

Fulcrum Community Resources and the Tillamook County Pioneer are pleased to again work together to showcase some of our Tillamook County nonprofits and service organizations for year-end giving, outreach education and volunteer opportunities. There are over 100 such organizations in Tillamook County, and they all have something in common — providing support to each other and collectively to everyone in our Tillamook County communities. Not every organization had the budget or sponsor to pay for a page (which paid for the printing and mailing) so we have also included a list of most of the nonprofits and service organizations in the county in the back of the Guide.

The various levels of government that serve our county are fabrics that make up a quilt. The services provided by our local organizations add more fabrics to that same quilt to wrap around our community providing comfort and support. They offer layers of effort and caring that stitch our communities together. Their many missions and services add a deep and rich vitality to all of our lives, weaving strands of health, wellness, sustainability, environment, conservation, food security, women's issues, children's well-being, animal welfare, arts, and culture, to create a strong and vibrant community. They give us opportunities to heal and play. They provide jobs, a trained and inclusive workforce, volunteer opportunities, internships, and training. They help create a culture of collaboration, partnerships and communication.

You will find information here about the organizations that have been able to participate in this guide, including some new ones. We hope you will peruse these pages and give generously, as they provide valuable services to our community. If you don't see your favorite organization on a page, check the list in the back. And if it's not on the list, please send contact info to: [barbaraandchuck@nehalem.tel.net](mailto:barbaraandchuck@nehalem.tel.net)

We are especially thankful for those that give and volunteer for these organizations that enrich our lives. We want to acknowledge and thank our benefactors – Tillamook County Creamery Association and Tillamook PUD – for their grants to assist with paying for some of this year's profile pages.

2020 has disrupted many things for individuals and businesses, but our organizations have been under even more strain. With more demand for their services, too few volunteers (as many local volunteers are in the vulnerable population), to trying to figure out how to safely continue to provide services, and the cancellation of all in person fundraising events – this holiday giving season is even more vital to give what you can to these organizations that provide so much for so many. Collectively, each of you are the stitches that sew together the fabrics of the quilt of Tillamook County. Thank you to all those who donated, discovered, and volunteered last year!

We thank you in advance for your support in 2020 as we continue to weave a beautiful Tillamook County Giving quilt!

The CHILD Program (Christ's Hands In Loving Devotion) was founded in the Fall of 2017 to help children of families living in Tillamook County at Back to School and Christmas time.

CHILD makes every attempt to provide a new outfit, shoes, jacket and needed school supplies for students who might otherwise do without at the beginning of each school year.

CHILD also provides gifts for these children from their wish list at Christmas time.

This program is to assist families who are having difficulty providing necessities, let alone the extras that come with back to school and the holidays.

Parents register with CHILD and keep the information up to date to participate in the program; applications returned by July 10<sup>th</sup> for Back to School and Nov. 1<sup>st</sup> for participation in the Christmas portion of the program.

**LOOK FOR CHRISTMAS TREES AT LOCAL BUSINESSES for tags with the children's wishes:**

# SAMMY'S PLACE

*Creating community choices  
through nature-inspired living, working, and respite  
opportunities with people experiencing  
disability and those who share their journey.*

We are excited to be working to find solutions for real concerns within our community on the North Coast of Oregon and one of those solutions is a vision for inclusive access to affordable housing that is not segregated.

We have seen first hand the challenges people with intellectual or developmental disabilities must sometimes endure. We are happy to step into this new paradigm where neighborhood means everything and isolation, segregation, and exclusion are a thing of the past. We have also witnessed the power of an inclusive vision that embraces integrity and patience by devoted team members. Thank you, to our partners, supporters, and community, for your bravery to discover with us what innovative thinking will bring our community on this journey.

2020 - In partnership with the Oregon Dept. of Environmental Quality we have successfully removed all of the solid and hazardous waste off the Thompson Road 3-acre site. We are now working with a local architect to design housing that resonates with the area. We give thanks to the hundreds of supporters who understand this very real need for access to community.

### The Gift of Responsibility is Long Lasting

Every year, during the holiday season children receive scratch offs and lottery tickets in their stockings. These stocking stuffers introduce kids to gambling, an activity that carries risk. Tillamook Family Counseling Center wants to remind parents and loved ones that scratch offs, lottery tickets and other paper gambling products are for adults 18 and older. This holiday season, talk to your kids about the risk associated with engaging in gambling behaviors.
