

TILLAMOOK  
JAN 19 2023  
SCHOOL DISTRICT

January 18, 2023

Dear Mrs. Levesque and Tillamook School District #9 Board:

Thank you for considering my request to serve on Tillamook School District's Policy Committee.

In terms of policy experience, I served for 16 years on the county's Mental Health, Chemical Dependency, and Developmental Disabilities Advisory Committee. I currently serve on the NW Oregon Housing Authority Board of Commissioners and in a variety of other roles involving policy and procedure review and development. As a DHS contractor, my job was to implement, interpret, and explain policy to the public and community partners. In my current job, I understand and follow state and federal policy, and help write our annual report each year to the state. I have decades of experience and expertise in policy interpretation, technical writing, editing for content, and making documents accessible in layperson terms. I am attentive to detail and work hard with a focus on policy compliance and process improvement.

As far as school-related experience, I am a registered TSD#9 volunteer, and have served on a Curriculum Review Committee and a school district hiring committee as a parent rep. I am the social media officer for the district's recently formed K-6 PTC, and I'm currently wrapping up work on the district's Community Engagement Committee, which is tasked with informing and reviewing the Integrated Guidance Plan. I am on the School Alliance to Prevent Suicide and serve as Chair of the Practice Level Workgroup for Systems of Care in Tillamook County, a partnership of entities serving at-risk youth. I have an email list of local PreK-12 educators with whom I share trauma-informed resources and materials.

I have designed curriculum and taught junior high and high school students in all three school districts about Cyber Safety, Bystander Intervention, and Bullying Prevention/Healthy Relationships. I understand school culture and expectations and enjoy working as a team. I have built great working relationships with district staff and students.

I wish to serve because as a lifelong resident, Tillamook alumnus, and TSD#9 parent, I am deeply invested in our community. My philosophy is that every child deserves to have the best education and opportunities possible. I have attended almost every school board meeting for the last year and a half and have studied district policies to be better informed. I would enjoy being part of a thoughtful, productive team that further contributes to student, staff, and community success.

Sincerely,

Romy Carver

Gail Levesque <levesqueg@tillamook.k12.or.us>

Previous policy experience: Helped write mission statement and Bylaws for We The People Tillamook County.

School-related experience: Former FFA parliamentary procedure team member.

I would like to be considered for this position because I have a vested interest in the children of our community. I am a mother of 3 and want to ensure a safe fair environment for our youth.

I am also a former officer of the Tillamook Elks and Tillamook Beekeepers Association.

Tiffany Jacob
