How do you greet each new day? How do you stay present, in the moment? As we go through life, it’s ‘nothing special’ to live a new day. But, it’s close to a miracle that the sun rises every day, and we wake up with it, having the chance to see a new day makes us feel really lucky. We can have gratitude for the fact that we are here to appreciate the gift that each day is. Here are some quotes to inspire your artwork:

- *“Today is the first day of the rest of your life.” Abbie Hoffman*
- *“Never underestimate the power you have to take your life in a new direction.” Germany Kent*
- *“It’s a new dawn, It’s a new day, It’s a new life for me. And I’m feeling good.” Nina Simone*
- *“Every new day is an opportunity to grow your love.” Debasish Mridha*
- *“Every day we can learn something new.” Lailah Gifty Akita*
- *“Every day grants us opportunities to do good. Take advantage of them. Do good. Be happy.” Richelle E. Goodrich*
- *“Embrace every new day with gratitude, hope and love.” Lailah Gifty Akita*
