# FULCRUM

COMMUNITY RESOURCES

PO Box 136, Nehalem, OR 97131 • [fulcrumresources.org](http://fulcrumresources.org) • 503/440-1342

All things connect – and as we assemble the 2023 Tillamook County Giving Guide we are constantly reminded of all of these connections. We are pleased to present this 7th annual publication, produced in partnership between Fulcrum Community Resources and the Tillamook County Pioneer, to provide information and encouragement to support with your dollars and your time, these vitally important organizations. Your generosity is needed and appreciated!

By making your year-end giving donations locally, you are helping to foster these community connections through these organizations and to keep your money circulating here at home. They impact all aspects of our lives, from health and wellness, sustainability, environmental stewardship, conservation, food security, housing, universal access, women’s issues, children’s well-being, animal welfare, education, and arts and culture, to create a strong and vibrant community. They collaborate and form partnerships which build a culture of efficiency, cooperation and communication. They provide jobs, a trained and inclusive workforce, volunteer opportunities, internships, and training. They give us opportunities to connect, heal and play. And they need our support to continue to make a difference!

**Thank you to all those who have donated, discovered and volunteered in past years!**

The “Tree of Life” paintings featured on the cover, and throughout the Giving Guide, are from Sitka Center’s Youth Program and visually show how we are all connected to each other and to nature. For more information about this program and the lessons and messages in the paintings, see page 5.

Included in the Guide are paid profiles of over 45 organizations, and a free listing of over 120 organizations providing services, resources and support that improve the quality of life for everyone in our community. Many organizations do not have the budget for a profile, which covers the cost of printing and mailing, so we include at the back of the Guide a list of most of the nonprofits and charitable organizations in the county. This free listing is available to any Tillamook County nonprofit or service organization.

We welcome your feedback, comments and suggestions. We especially want to hear from you if you don’t see your favorite group in the free listing.

Email [barbaraandchuck@nehalem.tel.net](mailto:barbaraandchuck@nehalem.tel.net) with your comments and/or information.

Fulcrum Community Resources’ mission is to foster the transition of the Nehalem Bay community to a sustainable future. Our volunteer group initiates and coordinates local programs in north Tillamook County. We also sponsor others’ projects that fit with our mission and goals. We see Fulcrum, not as a hub, but as an enabling node – one of many groups locally who are organizing and creating projects. Our guiding philosophy is that the most effective and innovative projects are initiated at the grassroots community level. [www.fulcrumresources.org](http://www.fulcrumresources.org)

Tillamook County Giving Guide features artwork from Sitka’s Youth Art Program. Learn more about this incredible program and the communications, history and art lesson that created these “Tree of Life” watercolor paintings.

Sitka Center for Art and Ecology is a 53-years-young 501 (c)(3) nonprofit located at Cascade Head in southern Tillamook County. Sitka champions art and nature access for all. We aim to serve everyone from preschoolers to professionals with opportunities to explore their creativity and deepen their relationships with the natural world.

Each month, Sitka’s Youth Program delivers 60-90-minute art literacy sessions in classrooms of schools with limited or no art programs of their own. Currently Sitka serves nearly 2,000 youth grades PreK to 8 in all three Tillamook School Districts and at Toledo Elementary in Lincoln County School District.

During October’s lesson, students explored the ways in which symbols have been used throughout history as a form of nonverbal communication. Students used artistic inspirations of Indigenous graffiti artist KC Hall and Ashland, Oregon artist Betty LaDuke to create their own personal tree of life with embedded Morse Code messages (see the key below). Each young artist’s tree features their interests and inspirations, and the influences that help them grow and root them in their communities.

Youth Program Manager Leeauna Perry shared that this project opened new realms of communication for the students. Students felt safe and supported to share some of their greatest accomplishments and the most challenging obstacles in their lives. Conversations about heritage, aspirations, and the ability to find strength to overcome adversity fostered peer empathy, connection, and a shared sense of community.

Experienced art instructors, practitioners who engage with Sitka’s Residency Program and known regional artists and ecologists leading their fields are featured within the art literacy curriculum, providing inspiration and access to STEAM (Science, Technology, Engineering, Art and Math), arts and cultural career paths.

Since we can only include a few of the thousands (yes, thousands) of student artwork in the Giving Guide, and each one tells an incredible story – Sitka, the Pioneer and other community partners will display the art throughout the community. Watch for more information about community art showings of the “Trees of Life”.

**MISSION: To provide a safe haven for lost dogs in Tillamook county by assisting law enforcement through intake, shelter, reunification and adoption. To promote responsible pet ownership and animal welfare through community outreach, education and licensing.**

With the help of our volunteers, we provide care for the dogs at our shelter. Our staff handles intakes, adoptions and releases. We hold the animals for five days. If we aren't able to find the owners, the dogs become available for adoption. A dog in our care receives two meals a day, any needed medical attention, along with socialization, exercise and love.

We have opportunities to sponsor a kennel, or play yard. Monetary donations can be mailed to our PO BOX or made through our website. We accept donations of food, toys, leashes, harnesses, towels, and blankets. We have a bin at the Tillamook Farmer's Co-Op for any physical donations or you can call us to schedule a drop off appointment. A link to our Amazon wish list is posted on our website. We have a BottleDrop account for those who would like to donate their cans and bottles. We are happy to arrange pick up of any cans and bottles you may choose to donate.

We are looking for Board Members! We are also looking for animal loving volunteers to participate in all the aspects of caring for dogs such as feeding, watering, petting, walking, training, scooping poop, doing laundry, cutting grass, maintaining our structures, participating in fund raising efforts, sharing lost and/or available dogs on social media, fostering, transporting to the vet, taking dogs to the groomer, bathing the stinky, treating the sickly, and loving them all. Must be 18 or older or minors must be 16 and accompanied by a guardian.

The CHILD Program (Christ's Hands in Loving Devotion) was founded in the Fall of 2017 to help children of families living in North Tillamook County at Back to School and Christmas time. CHILD makes every attempt to provide a new outfit, shoes, jacket, and needed school supplies to students who might otherwise do without at the beginning of each school year. CHILD also provides gifts for children from their wish list at Christmas time. This program assists families who are struggling to provide the necessities, let alone the extras that come with back to school and holidays. Parents register with CHILD and keep the information up to date to participate in the program. Applications are due by July 10 for Back to School and November 1 for participation in the Christmas portion of the program. **LOOK FOR TAGS** with children's wishes in local businesses or in the front window of the church.

## Meals for Seniors

**Mission Statement:** Our mission is to enable the senior citizens of North Tillamook County to continue living independently in their own homes by providing access to nutritious meals and social occasions. Since 2003, Meals for Seniors, Inc. has been preparing, serving, and delivering fresh meals to our senior citizens. Meals are served Monday, Wednesday, and Friday at 11:30 am, at the dining facility located at St. Mary by the Sea Church in Rockaway Beach. We also deliver meals to homebound seniors residing between Garibaldi and Nehalem. We have situations where our deliveries may be the only meal a senior has on a given day. In 2022 we prepared 12,058 meals of which 7,263 were delivered to our vulnerable homebound seniors in North Tillamook County.

**Volunteer:** We are a volunteer driven organization supported solely by donations from individuals, organizations, grants, and our own fundraisers. In 2022 our volunteers donated 4,618 hours of their time and drove 6,708 miles to deliver hot meals to our vulnerable homebound seniors. Volunteer drivers and kitchen volunteers are always welcome.

**Contact:** If you or someone you know resides between Garibaldi and Nehalem who needs meal service call Theresa Bruneau, President at 503-317-8967, or email [mealsforseniorsinc@gmail.com](mailto:mealsforseniorsinc@gmail.com). Please visit [www.mealsforseniorsrockawaybeach.org](http://www.mealsforseniorsrockawaybeach.org) or follow us on Facebook.

## HEALTH CENTER & PHARMACY

COMPASSIONATE COMMUNITY CARE

[nehalemhealth.org/contribute](http://nehalemhealth.org/contribute)

(Formerly known as Rinehart Clinic & Pharmacy) WHEELER, OREGON

### Mission Statement:

Delivering compassionate team-based health care and wellness education to improve the lives of ALL in our community.

### About Nehalem Bay Health Center & Pharmacy:

Nehalem Bay Health Center & Pharmacy (formerly known as the Rinehart Clinic) is a non-profit Community Health Center on the North Oregon Coast that provides quality health care services to the entire community, regardless of a person's financial circumstances.

Nehalem Bay Health Center & Pharmacy is recognized by the Oregon Health Authority for its commitment to patient-centered care. Services include primary care for the whole family, naturopathic medicine, acupuncture, mental health counseling, well-child exams, women's health, immunizations, on-site lab services, addiction counseling, 24-hour on-call availability, patient transportation, and health insurance assistance. Several team members are bilingual (English/Spanish), and professional interpreter services are available for anyone who needs language assistance. There is also an on-site pharmacy for the convenience of patients and the community.

The care team also offers wellness classes and activities that are free and open to the community. In addition, Nehalem Bay Health Center operates the Neah-Kah-Nie (NKN) Student Health & Wellness Center, a school-based health center located at Neah-Kah-Nie High School that serves the students and staff of the NKN School District.

Nehalem Bay Health Center & Pharmacy accepts insurance, including the Oregon Health Plan, Medicare, and most private insurance plans. A sliding fee scale is available to all patients based on income and, as a Federally Qualified Health Center, there are programs available to help patients who may have difficulty paying their health care bills.

In May of 2023, Nehalem Bay Health District voters approved a bond measure that will help fund a new, expanded facility for Nehalem Bay Health Center on property in Wheeler, Oregon owned by the health district. The measure will allow for expanded services and specialty care. We are grateful to the voters and the property tax payers who will help Nehalem Bay Health Center usher in a new era of community health care.

As a non-profit Community Health Center, Nehalem Bay Health Center & Pharmacy depends on a variety of funding, including federal and other grants. The center is also grateful for the generosity of private donors who help offset the cost of providing services to those in our community who need care.

## Sammy's Place

Oregon COAST Network

### Sammy's Place is in Community

Sammy's Place is a group of individuals, parents, caregivers, and community members that believe everyone should have access to the possibility to dream, including people with intellectual and/or developmental disabilities (IDD).

We believe Sammy's place is in her school. Sammy's place is at work. Sammy's place is on your sports league or social club, and

in the Boardroom. Sammy's place is in the community... But who is Sammy? Sammy is all of us, but most especially Sammy is anyone who feels traditionally under-represented.

We are invested through our work together, as a 501(c)(3), in a welcoming Oregon coastal region where everybody has what they need to fully participate and thrive in their community of choice.

### What is the Oregon COAST Family Network?

The Oregon Consortium of Family Networks are Oregon regional organizations [Oregon COAST Network] working in a variety of ways to support parents and individuals who experience I/DD within the community of their choice. The network was created for families, by families, and sees a bright future for all people with disabilities and works to make sure the community is a welcoming and supportive place for all. The COAST Network is part of the Sammy's Place organizational programmatic work. See more on the new website.

**Mission Statement:** North Coast Communities for Watershed Protection (NCCWP) is a grass-roots association of citizens from Rockaway Beach and surrounding communities. The group began in 2012 with the actions of one Rockaway citizen concerned about clear cutting for forestland and aerial spraying in the Jetty Creek Watershed - the sole source of her community's drinking water. The group now partners with neighboring communities facing air- and water-quality issues and with statewide organizations advocating for forest practices that will ensure clean air and water for all living beings.

Our goals are to educate citizens about the connection between forest practices and the quality of their air and water, to advocate for forest practices that will ensure clean air and water, to support communities working to protect their watershed, no more clearcutting and pesticide spraying in our drinking water sources, regardless of land ownership, as our watershed is rightfully part of the public trust.

Sign up to volunteer or simply come to our events or meetings! We are completely grassroots meaning we are just members of the community who individually decide to come together around this cause. Attend our meetings and education opportunities, help us with our petition and awareness campaign efforts, join our rallies and other events, help coordinate volunteers, help with social media, help with our citizen science efforts (including water turbidity testing), and campaign organizing.

# Smiley Salmon Harvest

After a year marked by remarkable achievements, including a feature on KGW's Grant's Getaways and a record-breaking catch of over 1,400 fish, Smiley Salmon Harvest continues its vital mission. In 2022, this initiative, in collaboration with the North Fork Nehalem Fish Hatchery and local students from Neah-Kah-Nie High School, provided over 6,000 cans of salmon, rich in Omega-3 proteins, to food banks and meal programs across Tillamook County.

This effort not only addresses food insecurity but also nourishes the North Coast communities with high-quality, locally-sourced salmon. With predictions of an even larger coho salmon run this year and plans to expand to the Big Creek Hatchery in Clatsop County, the need for support is greater than ever.

To contribute to this cause, donations can be made to Fulcrum Community Resources, the sponsoring 501(c)3 nonprofit organization, ensuring your contributions are tax-deductible. Your generosity is crucial in covering the costs of harvesting, processing, and distributing these nutritious meals to those in need.

Your support helps sustain this essential program, embodying the promise of "The Swimmer" to feed the people and strengthen the community.

## Committed to Our Community

### Community Support Grant Program

So much of what makes Tillamook County an outstanding place to be are the projects and programs organized by not-for-profit groups and dedicated citizens in our community. Tillamook PUD is pleased to support our community through the Tillamook PUD Community Support Grant Program. Grant applications and information are typically available by mid-December each year, applications are due mid-February of the following year.

### Local Youth Programs

Tillamook PUD supports local youth in a variety of ways, including through our High School and College Work Programs, and the Line Worker College Scholarship program.

For more information about these and other programs at Tillamook PUD, visit [www.tpud.org](http://www.tpud.org) or contact us at 503-842-2535.

## **Tillamook Senior Citizens Club, inc.**

**Mission Statement:** To maintain ownership and financial responsibility of the Tillamook Senior Citizens Club, inc., building.

To promote recreational and social activities for our 55 year old and over Club members.

To maintain the west end of building for the purpose of preparing and serving "Senior Meals" and the "Meals on Wheels" program.

To provide a trained medical professional for monthly medical checks and advice.

**Program Overview:** The Tillamook Senior Center was built in 1938 with \$5,000 prize money earned by Tillamook People selling subscriptions to the Townsend Weekly newspaper. Dr. Francis Townsend was concerned about the plight of Seniors after the Depression. His intent was to serve Seniors in much the same way that President Roosevelt later implemented in the creation of the Social Security Act of 1935.

The Center provides a place Seniors can visit, interact with others, use their minds, and have a healthy and nutritious meal at the Meal Site, (5 days a week). The Meal Site is run by North West Seniors and Disability and is accessed from 4<sup>th</sup> Street, the westerly 1/3 of the Senior Center Building. When our Seniors are healthy on all levels, the entire community benefits. We are Seniors helping Seniors.

**Events:** Members Monday morning coffee hour – 8 to 11, come enjoy a hot drink, served with treats. Card games – Pinochle, Cribbage. Sewing Classes, Quilting, Arts and Crafting. Wellness Check twice a month during Monday Coffee Hour. Square Dancing. Twice yearly Rummage Sales. Activity Room rental for family events.

**To Donate:** We are a 501c3 nonprofit organization. We rely on your tax-deductible donations. We receive no public funds.

**Volunteer Opportunities:** We have no paid positions at the Tillamook Senior Center – we are all volunteers. Volunteers are needed to help set up and run Exercise Classes, Ballroom Dancing, Sewing, Textiles, Card Games. Community volunteers are needed to share their skills/craft. Please give us a call.

We have common areas for fellowship and promote drug and alcohol-free social events, activities, and opportunities for service. We also have an inventory of recovery books, literature, and other merchandise.

**DONATIONS:** Donations are gratefully accepted to facilitate our mission by website, email, or in-person. You can become a supporting member for \$10 per month.

## White Clover Grange

Come see us at our annual Holiday Bazaar: Saturday December 9, 2023 from 11-3pm,  
and our amazing Pie Day Auction and Feast: Saturday January 27, 2024, 2-5pm.

The White Clover Grange is currently completing a major upgrade to our building exterior, with support from the Tillamook Coast Visitors Association and community donations. Our newly painted and repaired building makes the White Clover Grange an even more desirable site for gatherings, concerts and weddings, as well as community events such as our recent Heritage Apple Harvest Festival.

White Clover Grange members have been meeting monthly since 1931 in our handsome historic building outside of Nehalem, one mile past Mohler, at 36585 Highway 53. Our purpose is to preserve our historic Grange Hall as a community resource and meeting place; to support youth and farm related activities; and to support and encourage food security, sustainability and local resilience. The White Clover Grange provides social opportunities for Grange members and the local community, a beautiful Grange hall that is available to rent, and a shelter in times of trouble, such as during the 1996 floods. We hold membership meetings, open to the public, on the third Wednesday of the month. From October through March we meet from 3:30-5 pm; and from April-September we meet from 6:30-8. Finger food is welcome. (Please check our website to confirm that we are meeting.)

Please join us by becoming a member, by volunteering your help and skills, or by making a monetary donation! Learn more about us, find contact information, rental availability and donate through our website. [www.whiteclovergrange.org](http://www.whiteclovergrange.org)

# YOUR GIFT MAKES BIG IMPACTS

At the Y, even a little  
giving goes a long way!

## WHO WE SERVE

This part is simple: EVERYONE!

We pride ourselves in creating healthy living and wellness opportunities where all who gather feel welcome.

## HOW WE SERVE

We don't turn anyone away due to financial limitations. We offer scholarships and work with several local insurance programs for reduced program fees and membership rates.

## YOUR GIFT AT WORK

In September, thanks to the support of the Pastega Family Foundation and other generous donors, we bought the Tillamook Lanes Bowling Alley! This purchase will expand our community impact and increase our ability to serve youth, families, and seniors in Tillamook County.

Gifts made to the YMCA promote youth development, social responsibility, and healthy living for all.
