Good health is one of life's greatest blessings — and when illness or injury strikes, it's our caregivers who stand ready to help, day and night. At Adventist Health Tillamook, we're committed to bringing health, wholeness, and hope to every corner of Tillamook County.

Your gift makes healing possible

Every act of generosity strengthens local healthcare — from emergency response to end-of-life comfort. Your gift helps save lives, care for children and seniors, and ensure advanced surgical and kidney care remain close to home.

Whether you give today or through a legacy gift, your support builds a healthier future for our community.

Every gift makes a difference — helping neighbors in moments that matter most. Support lifesaving ambulance services, compassionate hospice care, child and community wellness, Faith in Action outreach through Wellspring Respite Day Center, Tillamook Kidney Center, or the Surgical Services Center expansion.

FULCRUM
COMMUNITY RESOURCES

All we need is love.

We are all gardeners in this thing called life, and we leave the "harvest" of our words, actions and demeanor in our wake, wherever we go. So, let's all ***Sow the Seeds of Love!*** In whatever way calls to you -- be it kind words, a hand up or out, a smile, a meditation, speaking up for someone who can't, or any random act of kindness, let's care for each other. Close your eyes for a moment, if you will, and imagine what the power of love can do. As often as possible present with love.

Our local nonprofits and service organizations have been sowing the seeds of love for years. And the time is now. Spread love with your money and time to help guarantee that everyone is safe, fed, housed, has adequate health care, access to beauty and education. ***Your generosity is needed and appreciated more than ever!***

Fulcrum Community Resources and the Tillamook County Pioneer are pleased to present this 9th annual publication, to provide information and encouragement to support these vitally important organizations. Each hour and dollar given is precious and important and produces a harvest of love.

By making your year-end giving donations locally, you keep your money circulating here at home. You are adding ***your*** care, compassion and hope so our organizations can function powerfully. The time that you give volunteering adds another rich layer of care, compassion and hope.

Our organizations impact all aspects of our lives, from health and wellness, sustainability, environmental stewardship, conservation, food security, housing, universal access, women's issues, children's well-being, animal welfare, education, safety, disaster relief, community preparedness, and arts and culture. They create a strong, vibrant and resilient community. They collaborate and form partnerships which build a culture of efficiency, cooperation and communication. They provide jobs, a trained and inclusive workforce, volunteer opportunities, internships, and training. They give us opportunities to connect, heal, play and hope. And they need our support to continue to make a difference!

Thank you to all those who have donated, discovered and volunteered in past years!

Included in the Guide are paid profiles of nearly 40 organizations, and a free listing of contact information for 129 organizations providing services, resources and support that improve the quality of life for everyone in our community. Many organizations do not have the budget for a profile, which covers the cost of printing and mailing, so we include at the back of the Guide this list of most of the nonprofits and charitable organizations in the county. This free listing is available to any Tillamook County nonprofit or service organization.

The links to detailed directories are posted on northcoastbbq.com on the local resources page.

We welcome your feedback, comments and suggestions. We especially want to hear from you if you don't see your favorite group in the free listing. Email barbaraandchuck@nehalemtel.net with your comments and/or information about an organization.

Fulcrum Community Resources' mission is to ***foster the transition of the Nehalem Bay community to a sustainable future.*** Our volunteer group initiates and coordinates local programs in north Tillamook County. We also sponsor others' projects that fit with our mission and goals. We see Fulcrum, not as a hub, but as an enabling node – one of many groups locally who are organizing and creating projects. Our guiding philosophy is that the most effective and innovative projects are initiated at the grassroots community level. www.fulcrumresources.org

Art and Nature Access for All

K-8 CREATE

2025 HIGHLIGHTS

Sitka Center continues to expand its youth program, K-8 Create, providing arts access for more than 5,000 children on the Oregon coast.

K-8 Create partners with Tillamook County schools serving Pre-K through 8th grade students to provide STEAM (science, technology, engineering, art and math) education for the 2025-2026 school year.

Your gift to Sitka Center will help us sustain and expand K-8 Create into more schools and districts in Tillamook County.

Our Salmon Feeding Our People for 16 Years

Smiley Salmon Harvest

Through partnerships with Oregon Dept. of Fish & Wildlife Nehalem Fish Hatchery, Tillamook Bay Cannery, other community organizations and wonderful volunteers, we take the food-grade quality coho salmon from the hatchery to be processed and canned in Garibaldi. Then it's distributed throughout Tillamook County's food programs.

https://www.smileybrothers.org

Smiley Salmon Harvest exemplifies the spirit of community and compassion. This year, like the ones before, has been marked by significant contributions to the well-being of Tillamook County.

Supporting Smiley Salmon Harvest means you're part of something larger.

Supporting Smiley Salmon Supports:

- Nutrition, where every can of salmon delivered ensures that individuals receive the essential nutrients they need.
- Education, where local students participate in creative projects, learning about community service and sustainability.
- Sustainability, where the program fosters a cycle of local resources aiding local people, promoting both environmental and social health.
- Inspiration, where every act of giving encourages others to join in, creating a ripple effect of positive change within the community.

In a time when many are swept up in their own currents, Smiley Salmon Harvest offers a chance to reflect on our collective impact. Your donation here is more than a transaction; it's an investment in shared humanity, ensuring that everyone has access to the nourishment necessary not just to survive, but to flourish.

If you seek a cause that not only addresses immediate needs but also builds the foundation of community spirit, Smiley Salmon Harvest is that cause. It's an opportunity to be part of a legacy where giving isn't just an act but a wave that spreads, touching lives and shaping futures. Here, your contribution is a tide that lifts all boats, creating a more caring, connected world.

HEALTHY WATERSHEDS FOR A THRIVING COMMUNITY

Our dedication to the health and quality of local estuaries is built on the idea that communities rely on our waterways to thrive in commerce, recreation, and overall well-being — now and into the future.

Creating solutions for fish and people leads us to focus on habitat restoration, water quality monitoring, youth & community education, and growing native plants.
