Good health is one of life's greatest blessings — and when illness or injury strikes, it's our caregivers who stand ready to help, day and night. At Adventist Health Tillamook, we're committed to bringing health, wholeness, and hope to every corner of Tillamook County.

Your gift makes healing possible

Every act of generosity strengthens local healthcare — from emergency response to end-of-life comfort. Your gift helps save lives, care for children and seniors, and ensure kidney care remains close to home.

Whether you give today or through a legacy gift, your support builds a healthier future for our community.

Every gift makes a difference — helping neighbors in moments that matter most. Support lifesaving ambulance services, compassionate hospice care, child and community wellness, Faith in Action outreach through Wellspring Respite Day Center, or the Tillamook Kidney Center.

Give now and help keep exceptional care growing right here in Tillamook.

FULCRUM
COMMUNITY RESOURCES

All we need is love.

The art on the cover and throughout this year's Guide is from the "You May Say I'm a Dreamer" Art Show that was on display at the NCRD Gallery in October. The theme was what we want to see in our communities that will help us all thrive, living in balance and harmony.

Let's take a moment to acknowledge, honor and celebrate all that we have accomplished thus far. We have been imagining a better world for our communities for many years. The list created for the Art Show opening had about 90 entries on it, focused on North County!

We support animals, women, children and seniors, and protect our beautiful environment. We have a number of places where people can get free food. We have art and music, a library with 6 branches, several performing arts centers and historical societies. We celebrate with parades, the county fair and a rodeo. We recreate at the YMCA or NCRD pools, and on trails and pickleball courts somebody created. We have robust emergency preparedness groups, and fire, police and sheriff departments working to keep us safe. Our Tillamook organizations also champion housing, education, health and wellness, and universal access.

Our local nonprofits and service organizations have been helping us flourish for years. And they continue to need your help. Please contribute to this effort with your money and time to help guarantee that everyone is safe, fed, housed, has adequate health care, access to beauty and education. ***Your generosity is always needed and appreciated.***

Fulcrum Community Resources and the Tillamook County Pioneer are pleased to present this 10th annual publication, to provide information and encouragement to support these vitally important organizations. Each hour and dollar given is precious and important. By making your year-end giving donations locally, you keep your money circulating here at home, continuing the cycle of us taking care of ourselves and neighbors. ***We persevere. We emanate hope. We don't give up.***

Thank you to all those who have donated, discovered and volunteered in past years!

Included in the Guide are paid profiles of 35 organizations, and a free listing of contact information for 131 organizations providing services, resources and support that improve the quality of life for everyone in our community. Many organizations do not have the budget for a profile, which covers the cost of printing and mailing, so we include at the back of the Guide this list of most of the nonprofits and charitable organizations in the county. This free listing is available to any Tillamook County nonprofit or service organization.

The links to detailed directories are posted on northcoastbbq.com on the local resources page.

We welcome your feedback, comments and suggestions. We especially want to hear from you if you don't see your favorite group in the free listing. Email barbaraandchuck@nehalemtel.net with your comments and/or information about an organization.

Fulcrum Community Resources' mission is to ***foster the transition of the Nehalem Bay community to a sustainable future.*** *Our volunteer group initiates and coordinates local programs in north Tillamook County. We also sponsor others' projects that fit with our mission and goals. We see Fulcrum, not as a hub, but as an enabling node – one of many groups locally who are organizing and creating projects. Our guiding philosophy is that the most effective and innovative projects are initiated at the grassroots community level. www.fulcrumresources.org*

30 YEARS OF GIVING BACK!

The Eugene Schmuck Foundation is celebrating 30 years of raising funds to help our North Tillamook County communities! In 1997 we took over the Manzanita Open golf tournament, held every May and haven't looked back. We are approaching a huge milestone of almost 2 million dollars raised!

LET'S MAKE THIS HAPPEN!

THINGS TO KNOW

- **95% of funds raised go right back into the community, we keep our overhead as low as possible.**
- **We are a 501(c)3 non-profit that supports over 20 different organizations in North Tillamook County for a variety of good causes.**
- **The Manzanita Open is a 9-hole, team scramble golf tourney and community event at the Manzanita Links. A weekend of golf, games, prizes, food and more, come volunteer or participate!**

WHAT WE DO

Educational Scholarships:
Every year we award 3 scholarships to graduating Neah-Kah-Nie seniors, good for four years of their college career. Keep their grades up and each will receive $6000 towards their education. A one-time NKN alumni scholarship is also available. With this fundraising goal we hope to expand our scholarship opportunities further, to help with rising costs and give NKN kids a leg up for their futures!

Food Insecurity:
The North Tillamook County Food Bank receives 20-25% of the funds we raise every year. We also support senior meals programs, alternative food pantries and programs to feed children during school breaks.

Neah-Kah-Nie Schools and Community Youth Programs:
We support a variety of programs in all schools that benefit students and parents needing assistance to create a more level playing field. Money goes towards OSAA teams and other clubs, books for classrooms, swim programs, preschools, youth community programs, the needs and list continues to grow.

Senior Welfare:
We support services that meet some of our most vulnerable citizens' needs, such as food delivery, basic necessities, healthcare, social programs, hospice and respite care, and so much more.

Please see our website for more information about how you can support our mission, participate, volunteer, or donate.

MEALS FOR SENIORS

The needs in our community are growing

Our Mission is to enable the senior citizens of North Tillamook County to continue living independently in their own homes by providing access to nutritious meals and social occasions.

Meals for Seniors, Inc. is a volunteer-driven, nonprofit organization funded entirely through the generosity of individuals, businesses, community organizations, grants, and our own fundraising efforts. We receive no ongoing government funding for our daily operations.

In small rural communities like ours, caring for one another is what keeps us strong. Yet many local seniors struggle with food insecurity and may be reluctant to ask for help.

Socialize with Friends!

Enjoy a healthy meal.

Meals For Seniors has been serving freshly cooked and nutritious meals to the senior community since 2003. In the past 23 years we have prepared almost 300,000 meals.

Seniors are invited to join us for lunch:

- 11:30 am, Monday, Wednesday and Friday
- St. Mary By The Sea, 275 S. Pacific St. Rockaway Beach, Oregon.
- Our volunteers also deliver meals to many homebound seniors from Garibaldi to Nehalem.

FAMILY FUND

The need in our community can be great, regardless of age. In response we have created our Family Fund. We partner with the Neah-Kah-Nie School District to ensure that local children have access to nutritious lunches when school is out of session. For many children, a school lunch may be the most reliable meal of the day.

In 2026 we prepared and delivered 2,068 lunches to children in Rockaway Beach and Garibaldi—at no cost to their families.

As the cost of everyday necessities continue to rise, we anticipate the need for summer meal assistance to grow.

The Family Fund also supports families during the holiday season and in times of crisis.

MUDD NICK FOUNDATION

Changing Children's Lives Today & Tomorrow

With approximately 3,000 opportunities for children to participate in life-expanding activities annually, the Mudd Nick Foundation focuses on developing programs and experiences for children that complement, enhance, and broaden what they learn in the classroom. We direct our efforts and energies on delivering impactful, stimulating, fun, and meaningful experiences. In close partnership with the North Tillamook County schools and other community organizations, we identify and fund opportunities to which local children would not otherwise have access.

These learning experiences focus on providing students:

- access to the arts and cultural activities both within their local area and beyond
- opportunities to participate in athletic programs
- ways to build self-esteem and self-reliance
- a chance to give back to their community

Learn More!

As winter approaches, we are reminded that a home is much more than a roof and four walls. A home is a place where we feel safe and valued—a place where we are at liberty to receive and provide kindness and compassion to our neighbors and community.

"...a home is much more than a roof and four walls. A home is a place where we feel safe and valued..."

That is the vision behind Thompson Springs—*and I invite you to join me in making a home for the holidays* for our friends and neighbors with intellectual and developmental disabilities living on the North Coast.

Thompson Springs is a truly special project in creating affordable accessible homeownership opportunities on the Oregon Coast. For many individuals and families experiencing intellectual and developmental disability, even an affordably priced home can remain beyond reach. Our holiday fundraising campaign will help buy down the cost of these homes for the people and families Thompson Springs is intended to serve.

Every gift you make, whatever its size, will help reduce the financial barrier facing a future homeowner.

Join with me and make Thompson Springs part of your holiday giving! When you do you will be honoring the many people who have already invested their time and talents—and, more importantly, help individuals and families experiencing intellectual and developmental disability build a home for the holidays.

With gratitude and warm wishes,

2026 Smiley Salmon Harvest

Nehalem River Coho Salmon to Local Food Programs - 17th Year

For 17 years, the Smiley family and dedicated volunteers have harvested more than 12,600 Nehalem River Coho salmon to support local families in need. Working with Tillamook Bay Seafood & Cannery and Neah-Kah-Nie High School students, the program transforms locally harvested salmon into canned food distributed to regional food banks and senior meal programs. This grassroots, sustainable effort provides valuable local nutrition to North Coast families, with an even greater need for community support this year.

So, your donations are needed now more than ever.

Thanks to continued community support, donations, and dedicated volunteers working alongside ODF&W and local processors, thousands of pounds of locally harvested salmon have been provided to families in need across the North Coast. From transporting salmon from the North Fork Nehalem River to Garibaldi for processing, labeling, and distribution, this grassroots effort relies on your generosity to offset costs and keep nutritious, local food on the tables of our neighbors. We are grateful for your continued support in sustaining this valuable community resource.

To ensure your donations are tax-deductible, the Smiley Salmon Harvest is a program of Fulcrum Community Resources as the sponsoring 501(c)3 nonprofit organization. For more about Fulcrum Community Resources, go to www.fulcrumresources.org.
